

April 25, 1975

CLERK: Mr. President, . . . do you want to go back to 74?

PRESIDENT: Senator Warner, could you approach the microphone please. We passed over 74 on Select File because you were not in the chamber.

SENATOR WARNER: Mr. President, I don't see Senator Maresh. There are some, I think, who would like to hold the bill where it is. I would have no objection. I heard some who have not had a chance to read it. I've had a couple phone calls on the amendments I offered which I think some of the previous information I had been given on this deals with the election of a board on cost. Iowa may not be as accurate as what I thought, which I would like to make a more accurate determination. If Senator Maresh does not object I'd just as soon pass over it.

PRESIDENT: Senator Keyes has some amendments too, doesn't he Senator Warner? Senator Maresh.

SENATOR MARESH: Mr. President, members of the Legislature, I just received the cost of elections in Iowa. That's what is stopping the bill, Senator Warner. I just received the cost of elections in Iowa on this program over the phone. That should not hold up the bill.

SENATOR WARNER: Well that wasn't the only thing. There's others who indicated . . .

PRESIDENT: In the absence of Senator Keyes, and I understand he's going to be back Monday, unanimous consent to lay it over until Monday, Senator Warner and Senator Maresh? Alright, that's the request. Is there an objections? Seeing none, it's so ordered.

CLERK: Motion on the desk Mr. President.

PRESIDENT: Read the motion.

CLERK: Mr. President, I move that we authorize purchase of \$200 of postage stamps for each Senator for use in the interim at the conclusion of this session. Signed, Senator Maloney, Chairman of the Executive Board.

PRESIDENT: Chair recognizes Senator Mahoney.

SENATOR MAHONEY: Mr. President, this is the motion that is made at this time of the year. It's the same amount as we have had for our other years. I ask the Legislature approval.

PRESIDENT: Discussion of the motion? The question is the adoption of Senator Mahoney's motion. Record your vote. Would you please vote. Record Mr. Clerk.

CLERK: 29 ayes, 0 nays.
